

A-MERCH

Sprint: #14 (12.09.2022 – 23.09.2022)

QA Team

- **QA Lead:**

Ekaterina Stupkina

- **Manual QA:**

Yury Nilov

Dzianis Yarash

Arthur Petrov

- **Automation QA:**

Andrey Bariyash

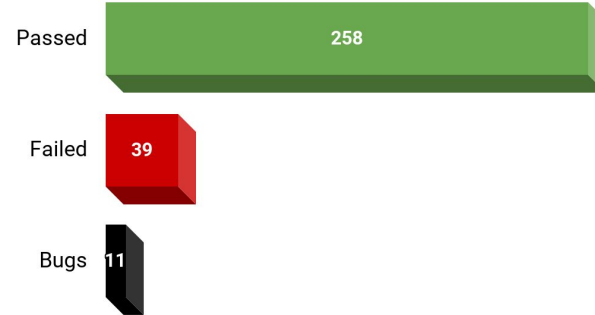

Artur Rustamkhanov

Alexey Astashkevich

Test case execution report

Types of testing used:

- Functional testing
- Smoke testing
- Regression testing
- Cross-browser testing
- Automated testing (UI / Integration)
- Usability testing

- **Passed test cases: 258**
- **Failed test cases: 39**
- **Bugs found: 11**

The following elements were manually tested during this sprint

1. Created API test cases for Epic 3:

US 3.1 – 24 tests created

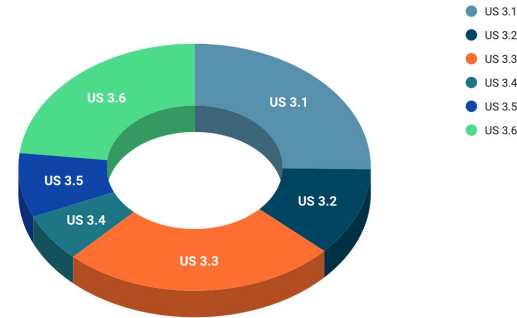

US 3.2 – 11 tests created

US 3.3 – 24 tests created

US 3.4 – 6 tests created

US 3.5 – 8 tests created

US 3.6 – 22 tests created

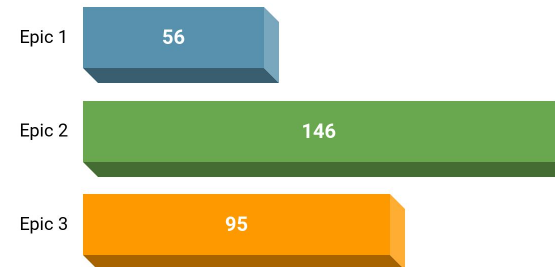

A total of 95 API tests were conducted in Epic 3

2. Regression testing was conducted in Epics 1, 2, 3

Epic 1 performed 56 cases

Epic 2 performed 146 cases

Epic 3 performed 95 cases

Test cases from other user stories were also automated in this sprint

US 1.1 – 13 test cases were automated

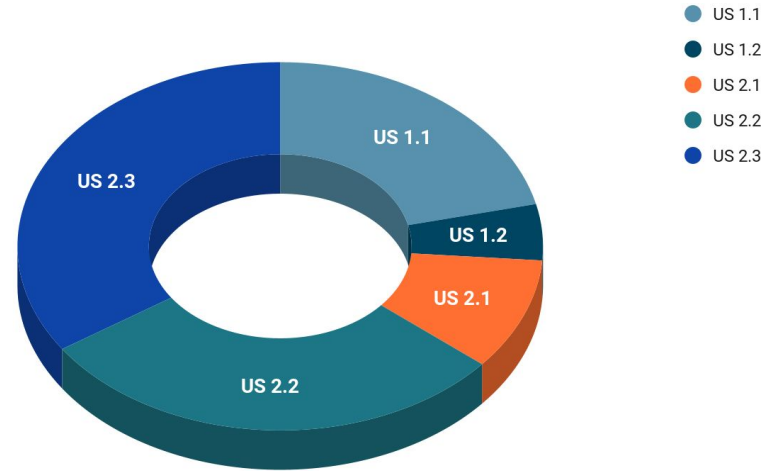

US 1.2 – 1 test cases were automated

US 2.1 – 2 test cases were automated

US 2.2 – 18 test cases were automated

US 2.3 – 21 test cases were automated

A total of 55 test cases were automated in this sprint

Bugs found during Epic 3 API testing

ID	TITLE
AMERCH-529	An order can be created with an empty "name" field
AMERCH-530	An order can be created with an empty "surname" field
AMERCH-535	An order can be created by entering a value with not an integer, contains "." in the "quantity" field
AMERCH-536	An order can be created by entering a later or earlier date in the "supplyDate" field
AMERCH-537	500 Error when entering more than 200 characters in the "comment" fields when creating or updating an order
AMERCH-539	500 Error when entering "null" in the "quantity" field while creating or updating an order
AMERCH-543	500 Error if the "merchName" field is left empty when creating or updating an order
AMERCH-544	An order can be updated by entering a value with not an integer, contains "." in the "quantity" field
AMERCH-545	An order can be updated with an empty "name" field
AMERCH-546	An order can be updated with an empty "surname" field
AMERCH-547	An order can be updated by entering a later or earlier date in the "supplyDate" field

Bugs fixed in this sprint

ID	TITLE
AMERCH-499	The words "Showing" and "Lines of page" on all pages are displayed in Russian
AMERCH-501	The notification "Changes made will not be saved" is not displayed after cancelling an item edit
AMERCH-529	An order can be created with an empty "name" field
AMERCH-530	An order can be created with an empty "surname" field
AMERCH-536	An order can be created by entering a later or earlier date in the "supplyDate" field
AMERCH-537	An order can be updated by entering a later or earlier date in the "supplyDate" field
AMERCH-539	500 Error when entering "null" in the "quantity" field while creating or updating an order
AMERCH-543	500 Error if the "merchName" field is left empty when creating or updating an order
